Delivery Driver (Coquitlam)

Description

Deliver building materials to customers at their construction sites with a material handler.

Requirements

Those offered the job must:

- Have a current Class 1 or 3 Licence
- Consent to and pass pre-employment drug testing
- Repeatedly lift and carry heavy building materials (as much as 100 pounds or more)
- Provide a clean driver abstract (must be insurable)
- Be legally entitled to work in Canada without sponsorship

Responsibilities

The delivery team must ensure the materials aren't damaged during delivery and that each customer is satisfied with the materials and service provided. The delivery team unload the materials by hand and, at times, with equipment, such as:

- articulated truck-mounted booms
- specialized carts
- forklifts

Job Benefits

- Competitive pay & great benefits
- Company pension plan
- Profit-sharing program
- Employee & Family Assistance Program
- Safety-focused work environment
- Career development opportunities and training
- Gym/health club subsidy
- Employee image wear (at no cost)
- Jean & boot allowances
- Service recognition & rewards program

Skills

- Ability to effectively manage time
- Ability to produce quality work on complete tasks with minimal supervision
- Attention to detail and ability to effectively organize
